William S. McCarron, of North Auburn avenue, returned last week from Oregon.

Mrs. Oskar Seiling, of 500 Adams street, has been suffering from a severe cold.

Mrs. Etta M. Wright, of 233 Santa Anita Court, has been confined to bed with the flu.

George M. Lehner, of 550 West Central avenue, left on Monday to spend a few days in Escondido.

Mrs. Nestor A. Young, of 209 West Highland avenue, has been confined to bed for the past three weeks.

William Lummy, of 152 Vista Circle Drive, has been confined to bed for the past two weeks by illness.

Mr. and Mrs. Basse Steele, of Long Beach, were Sunday guests of Mrs. Cora Colman, of West Montecito avenue.

Mr. and Mrs. Rodney House, of Los Angeles, were weekend guests of Mrs. Hortense Hill, of South Baldwin avenue.

The Mira Monte Hotel, 426 North Auburn avenue, has reopened with James Fisher as general manager.

Charles Hull, of 540 West Montecito avenue, left Monday for Kingman, Ariz., where he has procured a position.

Mrs. Cora O. Colman, of 632 West Montecito avenue, visited her sister, Mrs. Maude Montague, in Compton on Saturday.

Miss Cynthia Hull, pupil of Gustave Rihard, was presented as guest pianist at a Universalist Tea in Pasadena on Sunday.

Claude Spencer, of Harvey, Ill., is visiting his uncle and aunt, Mr. and Mrs. F. H. Hartman, of Baldwin and Highland avenues.

Miss Kathleen Moote, of West Central avenue, attended the University of California at Los Angeles Bible Club conference on Saturday.

Mr. and Mrs. Clarence Sandage and Mrs. Mattie Cuddie attended the El Monte chapter of the Order of the Eastern Star on Tuesday evening.

Mrs. Loraine Howard, who has been visiting Dr. May Culbertson Laidlaw, of North Sunnyside avenue, is spending two weeks in Los Angeles with friends.

Mr. and Mrs. Henry Meyer and daughter, of Rosamond, Calif., spent the weekend with Mr. and Mrs. Robert F. Babbitt, of 314 West Central avenue.

Mrs. J. Milton Steinberger, manager of this year's Wistaria Fete, has been ill for the past week. She will be able to be around in a few days.

Mr. and Mrs. Fred Zeller and son Donald, and daughter Adele, of Hollywood, were Sunday afternoon guests of Mr. and Mrs. Percy Kortkamp, of 32 Park avenue.

Friends of Mrs. Nell Fies will be glad to learn that she has returned to her own home and is slowly improving from the injuries she received in an accident recently.

A. Ware, who has been living at the home of his aunt, Mrs. Cora Colman, West Montecito avenue, for the past three months, left on Tuesday for a stay in Long Beach.

Miss Cricket Caukin and Miss Ruth Klunk were presented on a program with the Martha Meserole dancers at a dinner dance at the Vista Del Arroyo Hotel, Pasadena, last Thursday night.

Dr. and Mrs. John L. Woehler and Mr. and Mrs. Herm Selk spent the weekend at Tecate, Mexico. A trip was enjoyed through the San Diego mountains, Warner's Hot Springs and Moreno Lake.

Mr. and Mrs. Vincent Fleming and son, Buddy, who have been residing at Mountain Trail and Laurel avenues since closing their feed store several weeks ago, are moving today to 2449 Hill street, Walnut Park.

League Puts On 4 Plays Here Tonite

Casts Announced For Drama Group's Ambitious One-Act Presentations

Tragi-comedy, climaxing in one of the most dramatic moments to be found in any one-act play, highlights "What Never Dies," one of the four plays to be presented tonight by the Municipal Drama League in the grammar school auditorium.

In the role of Maggie Dougherty, the Irish mop-wielder, will be seen Ethel H. Hawks, who has been prominent in Sierra Madre little theatre productions since the beginning days of the Community Players.

Alma E. Morgan, in 1932 winner of the first award for best actress in the Santa Ana play competition, plays Mrs. Ambuster, the boastful and pathetic little Englishwoman who pushes her broom through an illusory haze of impossible dreams. Her "Jackie" is portrayed by Selwyn Myers.

New to local playgoers is talented Blanche Lines, cast as Mrs. Finiello. Direction is by Moss Renaker.

In entirely different vein is "Dark Lady of the Sonnets," George Bernard Shaw's sharp witted picture of a meeting between Shakespeare and Queen Elizabeth. The Bard is played by Selwyn Myers, who also acts in the capacity of director.

In the "Dark Lady's" featured feminine part appears Treva Scott. John Gray appears in support of the historical pair as a guard.

As "The Dark Lady" herself is La Verne Mohr, a Glendale actress who appears as a guest of the League for the production. Modern costumes will be worn throughout, although the action of the play is confined to the late part of the sixteenth century—1599. As with all plays, no scenic background is to be utilized, as judging is to be on technical points of merit alone.

Two plays containing more broad humor than the preceding, are "Suppressed Desires" by Susan Glaspell, and "Girl to Order." Both are under the direction of Doug Williams, League production manager.

"Suppressed Desires" pokes riotous fun at the fad of psychoanalysis. The cast is composed of Henrietta Brewster, played by Donna M. Kohlhaas; Stephen Brewster, by Earl McPherson; and Mabel, Henrietta's sister, by Evelyn Krams.

In "Girl to Order" appears Carroll Cooper as "Lady" Clayton, and R. O. Caukin as his father, Mr. Clayton. Frank De Beaulieu takes the part of Dudley Elliott, Percy Kortkamp as "Puck" Evans, while Henry Neutzel is seen in the role of Earl "Biscuits" Nelson. Dorothy Walsworth is the sole feminine member of the cast, portraying Elsie Jordan, "Lady's" girl friend. The play, written by Bessie Ford Springer, takes place in the fraternity house living room of Clayton and Elliott.

Tickets will be on sale at the door of the auditorium tonight at 8 o'clock, and during the day they may be purchased at conveniently placed ticket booths in downtown Sierra Madre as well as at all drugstores and markets. As no seats will be reserved, and the curtain will raise promptly at 8:15 o'clock, everybody is asked to come early in order to secure good seats.

WORLD TRAVELER HOLDS WISTARIA VINE ONE OF THE EARTH'S LOVELIEST SIGHTS

Miss Ruth I. Seabury, author, teacher and world traveler, and educational secretary of the American Board of Foreign Missions in Boston, told highlights of her world travels on Tuesday at the Sierra Madre Kiwanis Club meeting and luncheon, at the Woman's Clubhouse.

Miss Seabury, who had visited the Wistaria Vine before attending the club meeting, stated that it was one of the most beautiful things she had seen in her travels.

In a personal interview with Mahatma Gandhi, Miss Seabury said that he appeared to be an extremely intellectual man. They talked at great length on world problems. Asked why he did not eat more, when he was so thin, Gandhi pointed out that he could not digest food when the people of his country were starving. A six by six book shelf, containing the foremost literature of the world, indicated his keen interest in cultural pursuits.

More Cocos Plumosa Palms Are Planted On Central Avenue

Twenty of the ornamental palm trees that were planted in downtown Sierra Madre last year failed to survive, and this week were replaced by larger and hardier trees.

Of the cocos plumosa variety, the palms are a part of the City Planning Commission's plan of city beautification, the scope of which takes in the residential and business sections and the mountainside. The Ward Nursery furnished the new trees and superintended the planting.

State Opens Classes In Voice Here

Adult Education Units Are Being Directed By Richard W. Knost

Two new classes under the State system of emergency adult education were instituted in Sierra Madre this week under the supervision of Richard W. Knost, founder of the Municipal Music League and prominent local vocal teacher and singer.

Attracting eighteen enthusiastic members, the inaugural class in Voice Tuesday evening was a conspicuous success. Mr. Knost outlined the course of study, which is to include scientific facts and principles underlying correct tone production; comprehensive study of the art of singing and interpretation, and a practical application of the principles studied in regard to American compositions. These classes are conducted every Tuesday and Thursday from 7:30 to 9:30 o'clock at Mr. Knost's studio, 400 Churchill Road.

On these same days, Tuesday and Thursday afternoons, from 2:30 to 4:30 p.m., there is a class in Music Drama.

Next Wednesday a class in gymnastics for women will be started at 9 a. m. at the grammar school.

Firemen To Provide Easter Party For School Children

There's two sides to everything they say, and Easter's no exception. There's solemn ceremony—and there's rabbit eggs. This egg business, as usual, is going to be pretty thoroughly taken care of by the Volunteer Firemen, who have arranged to entertain 500 Sierra Madre children on the lawn of the City Park Saturday afternoon, March 31.

Palm Procession To Feature Service At Episcopal Church

Next Sunday the choir procession with palm branches will open the 11 o'clock service at the Church of the Ascension. This is an annual custom to bring more vividly to memory the triumphal entry of the Savior into Jerusalem before the crucifixion. On Good Friday a one-hour service of meditation on the words from the cross will be held from 2 to 3 p.m., and in the evening the choir will sing "The Seven Last Words," by Ervin W. Reed. All will be cordially welcome.

Sierra Madre Wistaria

By MARY WARD

We hold our yearly festival
Upon our hills again
And now our town in gala dress
Invites our fellow-men.
Green waves of feathery greenery
Spray over sunny walls;
Wistaria's purple splendor
From trellised arbor falls.
Its amethystine glory
And wonder lights the eyes.
Its lavender and laces,
Make us forget our sighs.
Alas! All things that touch the heart,
Reign but a while . . . and then depart.

Jockey Club Head Tells Racing Plans

Within a week work will be started on the building of the new race track of the Los Angeles Turf Club on the Santa Anita ranch. Dr. Charles Strub, president of the club, announced at a luncheon held by the Arcadia Rotary Club. Deeds for the transfer of 200 acres of the Baldwin property have been recorded, he said.

Dr. Strub promised that the venture would bring half a million people a year into this district, and the plant would excel in design and natural beauty and background the great race courses of America, including Churchill Downs, Hialeah, Epsom Downs, Havre De Grace, Saratoga and Belmont.

The great racing stables of the world will be represented, said Dr. Strub. Private assurances have been received from the Whitneys that they will send their finest thoroughbreds to the track.

"The track will be one mile in length with chutes at the seven-eighths post on one end and at the five-sixteenths post on the other, thus permitting them to hold a race of most any length," said Dr. Strub. "A tower will be erected which commands a view of the entire track and from this tower moving pictures will be taken of every race. These pictures will serve to clear up any discussions about misconduct on the part of jockeys during the running of a race. The finishes will be recorded by means of a ray which will be accurate to one ten-thousandth on a second."

"We intend to have our first meet as near December 25 as the commission will permit and operate continuously for fifty to sixty days. There is also a possibility that an additional short meet may be held in the summer. It is the hope of the turf club that the feature handicap will offer the largest purse ever offered for an event of this kind."

Dr. Strub issued a general invitation to all to be present at the ground breaking ceremony, the date of which will be announced probably on Monday.

Red Cross Day At Wistaria Fete To Boost Relief Fund

Today is Red Cross Day at the Wistaria Fete and the chapter directors are hoping that all friends of the local Red Cross will take the occasion to visit the vine as the chapter will receive 20 per cent of the gate receipts.

Miss Louise Judson, secretary, says the chapter is giving aid in various forms to an average of seventy-five families a month. She explained, "This aid is in the form of milk, groceries, meat, clothing, medical supplies and so on, besides the innumerable personal services which we feel are a proper part of our work."

"Of course the amount of this aid is necessarily limited, but we are able to help tide over crises, in many cases, the milk we supply is an absolute life saver. In the aggregate it amounts to a good deal and there are steady inroads on our small working capital. More money is greatly needed if we are to carry on during the next few months and we can put every penny we receive to most effective service."

Child's Skull Fractured In Auto Crash

Five year old Billy Freeland, son of Al Freeland of the City water department, was critically injured late Tuesday afternoon when struck by an automobile driven by Gustave Rihard on West Central avenue near Auburn.

Rushed to the office of Dr. G. W. Groth for emergency treatment, the child was later taken to the Pasadena Hospital where he was found to have a fractured skull, brain concussion and other injuries. Until yesterday he was still unconscious, although hospital attendants reported he seemed to have an even chance for recovery.

Rihard, a resident of Pasadena who conducts his business in Sierra Madre, was driving westward at the time of the accident, and was partially blinded by the low hanging sun as young Billy came diagonally across the thoroughfare. He stated that he was proceeding at a reasonable rate, within the speed limits.

2300 More Youths Will Be Enlisted For CCC Camps Here

Another 2300 youths of Los Angeles county between the ages of 18 and 25 will be afforded opportunity to enroll in the Civilian Conservation Corps April 2 and 3. Fort MacArthur army officers announced this week. In addition, 200 World War veterans will be registered, bringing the total number of recruits to commence the two weeks training period next month to 2500.

Enlistments, through the county welfare bureau, are open to all unmarried and unemployed youths in the prescribed age limits who have dependents. Veterans given CCC assignments will be enrolled at Sawtelle.

A total of 6700 men are to remain in the Fort MacArthur area of 36 camps, with 2000 from California included. Enrollments will take place in San Diego and Monterey as well as in this county, it is stated.

Oldest Air Pilot Follows Plane Route Across Continent

Mr. and Mrs. James Brazell, of Oklahoma City, were guests this week of Mrs. Samuel Sea, 198 West Montecito avenue. Mrs. Brazell is the twin sister of Mrs. Sea. Mr. Brazell is the oldest airplane pilot in the United States and an interesting feature of the Brazells' automobile trip across continent was that they followed as closely as possible the air course, hardly ever touching a paved highway. The visitors were guests at the Wistaria Vine. Dr. Sam Roberts, of Kansas City brother of Mrs. Sea and Mrs. Brazell, visited the Vine last year. Dr. Roberts and his family are on their way to the Pan American Medical convention in Venezuela, South America, where Dr. Roberts will take part in the program.

Dr. Bovard To Take Operation Today

Dr. Gilbert S. Bovard, of 159 West Montecito avenue, was taken to the Good Samaritan Hospital on Wednesday and will undergo the third of a series of operations today.

Sunnyside Avenue Man Charged With Attacking His Wife

Henry Kreenwich assertedly struck his wife at the couple's 187 North Sunnyside home Wednesday evening, and in consequence a good portion of the neighborhood reported to the police station to see if something couldn't be done about it.

Henry Kreenwich was released on \$50 bail after his wife had lodged a formal complaint charging him with assault and battery. He will be arraigned before Judge Tom Neale Wednesday, March 28, at 10 a.m.

Councilmen Unopposed In April Vote

Mayor Reavis, Layton And Lees Given Clear Field For Reelection

The three Sierra Madre councilmen whose terms expire this year—Mayor H. Clay Reavis, Lester K. Layton and William Lees—will be unopposed at the municipal election on April 9. The time for the filing of nominating petitions expired on Tuesday. Only the three Councilmen had filed.

The petition of Mayor Reavis was signed by C. J. Pegler, W. S. Hull, Clarence G. Huntsinger, Alice P. Jones, Dr. M. H. A. Peterson, William Middough, Alvin Langley, W. E. Deutsch, James N. Hawks and H. L. Woodruff. Mr. Layton's petition bore the names of Dr. C. L. T. Herbert, Dr. J. L. Woehler, William Middough, L. R. Goshorn, H. L. Woodruff, Charles B. Klunk, R. S. Corlett, Joseph F. Sadler, W. S. Hull and Jack Paschall.

The petition of Mr. Lees was signed by Dean A. G. H. Bode, J. F. Brain, D. C. Ashmore, J. G. Norris, Aaron Shapiro, W. S. Andrews, C. L. Sykes, W. A. Evans, P. W. Senour and Frank Spencer.

It will be the first time since the recall election of 1929 that there has not been a bitter battle for the places to be filled at a municipal election.

Next Friday, March 30, there will be a city-wide election in which a member of the school board will be elected. The term of Mrs. Gilbert S. Bovard expires this year. She is without opposition. There will be but one polling place—at the grammar school building.

Indian Tribesmen Coming To Present Play For Local PTA

The first 13 years of a child's life are the hardest—to get the child to use a toothbrush—but if Dad and Mom are lazy on the job they will have to pay for it in dental bills and the child will have to pay in suffering, bad health and wide open spaces where good teeth ought to be, according to Dr. Anna Rude of the Los Angeles County Health Department, who addressed the P. T. A. at the school Wednesday. Dr. Rude also said the pre-school age is the time when children are most neglected, although it is the most important age.

On April 6, in the evening, a troupe of Indians representing several different tribes, will come over from Hollywood to give an entertainment for the P. T. A. This will include Walks, Arlene, now acting in the Metro-Goldwyn Mayer picture, "Laughing Boy," Iron Eyes, noted Indian dancer and archer, who has appeared in many motion pictures, and several others of note.

On April 18 the P. T. A. will have a hobby show for the children. The annual election of officers will take place at the association next meeting.

Judge Gets New Office Opposite City Hall Court

Ground was broken at 86 West Central avenue yesterday for the erection of a real estate office for Municipal Judge Thomas W. Neale. The building, diagonally across the City Hall, will be constructed by W. P. Caley, owner of the property.

FIRST GROCERYMAN HERE RECOGNIZES LITTLE ABOUT CITY AFTER 46 YEARS ABSENCE

Oliver C. Andrews, first grocery store merchant of Sierra Madre, paid the city and his brother, W. S. Andrews, a visit last week, the first in 46 years. Mr. Andrews is a merchant in Westerly, R.I., and motored across the continent with H. I. Cook, of Branford, Conn., to enjoy a week's stay here, meeting old friends and looking over the country.

The only familiar landmarks to Mr. Andrews were trees around the W. S. Andrews home. The present city of Sierra Madre is so changed that Mr. Andrews

5,250 Visit Wistaria On Record Day

Perfect Weather Draws Sunday Crowd As Vine Reaches Full Bloom

Sunday proved the biggest day in the history of Sierra Madre's Wistaria Fete, as 5,250 visitors filed through the gate to witness the most famous of horticultural wonders. Through the week continual throngs slowly wended their way through what is now the mature profusion of lavender blossoms, many coming from far corners of the world on their annual pilgrimage to the festival.

There was no visible slackening of business for the volunteer firemen and Woman's Club attendants at the Vine Monday, when St. Catherine's Guild took over the sponsorship for the day. Mrs. J. H. Robertson was hostess, being assisted by Mrs. Randolph Wood, Mrs. F. Clatworthy, Mrs. Webster Vannier, Mrs. Grace Young, Mrs. T. Corr, Mrs. Emile Smith, Miss Jean Woodward and Miss Thomasella Graham.

Many private luncheon parties were held in conjunction with the Jewish Ladies Auxiliary Day, Tuesday, at which time Mrs. M. L. Melezer acted as chairman. Among the hostesses for the day were Mrs. H. Shapiro, Mrs. Harry D. Bermond, Mrs. Harry Byrnes, Mrs. A. L. Desser, Mrs. Maxwell H. Dubin, Mrs. Joseph K. Furgeson, Mrs. L. W. Gould, Mrs. Stella Harris, Mrs. I. Kohn, Mrs. E. F. Magnin, Mrs. H. Metzner, Mrs. Sampson Miller, Mrs. L. Offer, Mrs. J. L. Schwartz, Mrs. Theodore Steining of Los Angeles, Mrs. L. Goldstein and Mrs. J. Melvin, of Pasadena, and other ladies of the auxiliary of the Sierra Madre Temple.

Wednesday the Order of the Eastern Star conducted its special day with great success and large attendance. Hostesses, headed by Mrs. C. H. Sandage, were Mrs. Edna Holland, Ella Hagan, Madge Hale, and Mrs. Mary Wammock. Guests of honor included Worthy Grand Matron Jessie Gahrath Morris, of Eakfield, and Grand Officers Hazel Thorne Lane, Myrtle Grove and Mrs. Benjamin B. Cartwright.

The Elks Day festivities Thursday were conducted by John Froehlich, with hosts including William Lees, Sidney Wolff, Frank Lovell, R. L. Fitzwilliams, Henry Olsen, and Edward Brewer, Taylor Renaker and A. J. Walker, of Monrovia.

Today Red Cross chapters from all of Los Angeles County will be guests of the local chapter, according to Miss Louise Judson, executive secretary of the organization. Names of hosts and hostesses had not been definitely chosen yesterday.

This coming week, in the concluding days of the 1934 Wistaria season, it is expected that record breaking crowds in attendance will bring the total number of visitors to the fete up to a pleasing figure. Monday, March 26, is to be devoted to Daughters of Union Veterans of the Civil War; Tuesday is Masonic Day, Wednesday will be taken over by Daughters of the British Empire. Thursday is to bring many members of the District Federation of Women's Clubs, with hostesses from the local Woman's Club. Friday, March 30, is sponsored by the Parent-Teachers Association.

Little Danger Of Communism Says The Wheat King

Thomas D. Campbell, of Montana and Pasadena, known as the world's largest wheat grower, delivered what was generally voted one of the most interesting talks yet heard by the Sierra Madre Forum Tuesday evening. He gave his observations of conditions in Communistic Russia where he was called to instruct them on wheat growing on a gigantic scale.

"I have no fear of revolt or Communism in America," said Mr. Campbell, "so long as we have our present educational system and so long as 95 per cent of our people are reasonable, as they have proved to be during the depression that, happily, we are seeing pass into history."

Mr. Andrews built and occupied the first grocery store here at Lima street and Central avenue. Mr. Andrews and his brother spent the week driving through Southern California. They had not seen each other for 34 years. When the visitor left his home in the east he reported snow drifts as his automobile and he and Mr. Cook drove through snow as far as North Carolina. They left for their home Sunday by way of Seattle.

In A Social Way

A VERY beautiful wedding
united in marriage Miss An-
nabelle Marie Olsen, daugh-
ter of Mr. and Mrs. Ivar Olson,
of Pico, and Fred Guinness, son
of Mrs. Kathryn Guinness, of 300
West Laurel avenue, at the Pico
Community Church on Tuesday
evening. Rev. Mr. Kirkpatrick
performed the ceremony.

The bride was gowned in white
satin with a tulle veil and carried
a shower bouquet of white carna-
tions and lily-of-the-valley. She
had six attendants, whose gowns
were pink and blue. The brides-
maids carried bouquets of pink
carnations and blue delphinium.
Misses Kathleen Mootie, Janet
Murray and Johanna Guinness
were local attendants. Jack Jen-
sen served as an usher, while Ben
Smith rendered vocal selections
and Merrill Jensen officiated at
the organ.

A reception followed the cere-
mony. The young couple left for
a honeymoon in San Diego. They
will make their home in Los An-
geles.

Of interest to the pioneer fam-
ilies of this district is the ap-
proaching wedding of Miss Es-
telle Pearson, of Sierra Madre, to
Walter Dedrick, of Los Angeles,

Monrovia Sheet Metal Works

A Skilled and Economical Service

With fully equipped shop in
Monrovia at 122 East Orange
avenue, to take care of any sheet
metal or tinwork, promptly and
economically. This is an old re-
liable service and can give you
a real service in this line. Phone
Monrovia 131.

The establishment is deserving
of more than passing notice in
this review of the onward pro-
gress of the county as the man-
ager is recognized in this section
as one of the most expert sheet
metal men in this State.

In addition to this they conduct
a complete sheet metal estab-
lishment and are prepared to ex-
ecute all classes of work including
tin work, and all the other fine
and intricate features of modern
sheet metal establishments such
as skylight, ventilators, ceilings,
etc.

Located in Monrovia at 725
South Myrtle avenue and offers a
wide selection of dependable used
cars at bargain prices. If you
want to economize in the outlay
of money for a good car, save
by driving one of these cars. Here
is also a fine place to have
general repairing and auto paint-
ing done. The work is reliable
and skilled and charges most rea-
sonable. Let them look over your
car and give you an estimate on
painting or general repairing.

You will find no more reput-
able house in the automotive
world of this section than that of
H. C. Yenny

the H. C. Yenny. Long experience
and widely known in this section,
they have every quality which
you would require of a firm with
whom you would trust your busi-
ness.

Today more than ever people
are coming to realize the values
in used cars and feel the need of
dealing with reliable firms. The
long-established reputation for
fair and honest dealing of H. C.
Yenny in general repairing, paint-
ing and used cars, is their best
advertisement, and, far more than
anything we may say, gives the
reason for their continued sup-
port by the public.

Benders Garage

Located in Monrovia at 201
South Myrtle avenue and offers a
complete service on your car.
Have been in Monrovia for 24
years and their long years of ex-
perience and skilled workmanship
is assured on your car. When
they repair your car it's done
right and the charges are most
reasonable.

Honest labor at the right price
is their slogan. You pay for the
time it takes to fix your car, not
for the other man's. Employees
are expert mechanics.

The men in charge are auto
service men of ability who under-
stand all the little intricacies of
this very important business.

The service of Benders Garage
is a great accommodation to the
motorists of the surrounding ter-
ritory and has aided in the de-
velopment of the territory, and in
making this review we are glad
to compliment Mr. Bender upon
the service rendered and fair
prices that govern their activity.

Cut Cost Of Electricity To Consumer

Householders Encouraged To Use Appliances By Rate Effective Today

A substantial voluntary reduction in a domestic rate classification of the Southern California Edison Company, Ltd., effecting a saving of approximately \$40,000 a year to consumers who use both an electric water heater and an electric range, and making this service available at low cost to thousands of other consumers, was announced here today by Fred Schwartz, district manager of the company's Monrovia office.

The new schedule, just approved by the California Railroad Commission as a promotional rate, offers the company's thousand of electric range users the immediate opportunity to further electrify their homes by the addition of the new and modern electric water heaters to be operated on a sliding scale combination cost that brings the charge for cooking and water heating to a new minimum figure. The new rate becomes effective today.

The application of the new rate will mean, according to Mr. Schwartz, that the normal range user who now uses or who installs an electric water heater, will receive electric energy for water heating at one per cent per kilowatt hour, or exactly half the previous charge. Technically, the new schedule becomes effective, in the residence of a range and water heater user, with the use for all domestic purposes of 225 kilowatt hours or more per month.

Increased interest on the part of Edison customers in electric water heating prompted the company in its application for the revised rate, the manager said. Increased use of domestic electricity enables the company to continue its policy of reducing the cost of service where the demand shows growth.

This stimulated interest in electrical equipment for the home, apparent in all sections of the Edison territory throughout Southern and Central California, already is putting the company's average annual domestic kilo-

Sierra Madreans Elected To Places In C. E. Societies

SEVERAL Sierra Madreans participated in the spring booster banquet of Pasadena division held Friday night at the Westminster Presbyterian church. Rev. Stewart R. Sheriff of Bethany church was unanimously elected pastor-counselor, Merrill A. Smith was elected one of the vice-presidents.

Sam Hohri and one of Pasadena's Japanese girls in native garb presented a skit to advertise the mass parade which is to be one of the outstanding features of the coming Los Angeles county convention in Pomona. This parade, which takes place Saturday afternoon, May 5, will have an international appeal as each of the 16 divisions in the county is to represent a nation, Pasadena taking Japan.

Sierra Madre's Hill Billies, at least the part of it including Lawrence Limbaugh, Dave Buchanan and Bob Jensen, opened the banquet with music.

Tonight the executive committees of the Young People and Intermediate societies will meet. The former is to be held in Bethany church and the latter at the Sheriff home. Both are announced for 8 o'clock.

Sunday will again see many of the local Endeavorers at the First Presbyterian church in Los Angeles for the county union's monthly general assembly. Orange county union is to be the guest of the afternoon and they are to take active part in the program. At 3 o'clock the Junior society will hold its meeting in the Bethany rotunda. Prayer circles of both societies should gather at 6:15.

Monday night officers of the local societies should attend the division executive meeting of Pasadena division at the First Friends church, corner of Raymond and Villa at 7:30.

watt-hour consumption figure on the upgrade again. The average for the past year was 681 kilowatt-hours, approximately six per cent below the average for the previous year. The present upward trend has been coincident with the company's enlarged program of sales cooperation with electrical dealers and manufacturers and its greatly augmented newspaper advertising campaigns.

5,000 Trees Will Add To City's Beauty

Sierra Madre's residential streets, spreading grounds and parks will soon be beautified by the planting of over 5000 small pine trees of many varieties as well as 40 oak trees which were the gift of the county nursery in Santa Anita canyon to the city.

The gift this week was turned over to the City Planning Commission, and it is stated by Mrs. John Osgood that the commission will complete specifications for planting in the near future. Being more sturdy than the evergreens, the oaks will possibly be used to decorate the Grand View avenue boundary of the spreading grounds, while the pines will be set out along the hills in the northern section of the city.

Mrs. Osgood also announces that wild lilac and California holly are being cultivated in the city park lath house by J. C. Lauber, and that as soon as an appreciable number of plants are near maturity they will be set out for purposes of city-wide beautification. Lauber is responsible for successful raising of countless native shrubs and trees in the park grounds.

Inter-City Tennis Matches Arranged For Local Courts

Eight single matches and four doubles matches will take place on the City Tennis courts Sunday morning at 9 o'clock between the Sierra Madre Tennis Club and the Arroyo Club of Pasadena.

Designed to give tennis fans a day of fine tennis, and to afford local players lively competition, the matches will consist of two of the best out of three sets. Everyone is invited to witness the contests. Local singles players include Gordon Wolfe, Randolph Wood, Wayne Perry, Hiro Kaya, Emile Smith, Doug Williams, Bill Hansen, Jack Butler, Ray Fox and Don Blanke.

Doubles teams will be Wood and Williams; Smith and Perry; Hansen and Fox; and Kaya and Wolfe. Louis Fuller has coached individual members of the team, and is head coach for the club. Much interest will be evidenced in the outcome of the matches of the younger, comparatively untried players, with young Hansen doped to come through unscathed.

Fire Flames

By one of the boys

THE firemen on the parking lot know how the public feels about the Wistaria Fete. We need not feel ashamed of our show, for the pleasant remarks of the people as they come from the grounds to their cars is very encouraging. The only "kicks" we get are from someone that has not gone in to see. Many cars come to the grounds and do not know what they are there for. They just follow the crowd and from many we hear how glad they are to have come. The boys continue to take care of all excess baggage, including babies. Occasionally a dog with a bad disposition will be left in a car, and that car is always turned over to Hibbs. He hypnotizes them.

Tonight is practice night and the regular fire practice will be observed. The trucks will be worked on in the usual manner. The Chief says that because we are almost free from fires is all the more reason why we should keep prepared. One fire can mean a lot of work and damage.

The very dangerous fire hazards of the city are gradually being eliminated. Such things as the old terra cotta pipes sticking out the side of a small wood building are a thing of the past. Fire places are strictly inspected and made according to the fire ordinance. Seldom do we see a bad incinerator or an open fire being built near a lot of dry brush. These the fire department try to prohibit. Residents of Sierra Madre are fire conscious and the firemen are grateful for their co-operation in keeping down fires. This gives us all a good reputation and helps a lot to keep insurance rates down. Let's keep the Fire's Out.

Proper Publicity For Legal Notices Aim Of Supervisors

Taxpayers from all parts of Los Angeles County, backed by the publishers of more than 70 community and suburban newspapers, made forceful representations to the County Board of Supervisors on Tuesday, urging that the county separate from the bulk of the county advertising those notices which are primarily local in character, and to order them published in newspapers printed in the localities affected.

Indicating their sympathy for the idea, the County Board, on motion of Supervisor Thatcher, referred the matter to the county counsel to determine the legality of the proposed separation.

Chairman Quinn, following the announcement of County Purchasing Agent H. E. Russell, that only about \$5,000 of the \$70,000 worth of county advertising would be affected by such a policy of decentralizing the advertising, expressed his astonishment that such a small amount of advertising should be involved in the controversy.

Quinn also reprimanded Anthony Pratt who appeared to protest the plan and who by unneeded attempt to question the motives of the supervisors supporting it. Quinn declared that he was fully satisfied with the motives of those supporting the plan and with their character as representative citizens of their respective communities.

Azusa School Wins First Prize In Play Competition Here

"Ask the Dental Hygienist Lady," a comical skit with a healthful moral, won the first prize for the Center School of Azusa in the play competition at the annual Tooth Templar's convention in the auditorium of the local school auditorium Saturday.

Throughout the morning the more than seven hundred visiting children devoted their time to the presentation of playettes, songs and yells. South Santa Anita School was given the award for the best song; First Avenue school, Arcadia, gave the best yells; and the best president's speech was given by Jewel Morgan of the Margaret Heath school of Baldwin Park.

At the conclusion of the program the children visitors visited the City Park on a picnic, played games under the supervision of teachers, and otherwise enjoyed the hospitality of Sierra Madre. A unanimous vote acclaimed the convention here the most successful ever held.

The four winning schools, as is the custom, will represent the district in the Templar's county convention to be held in Alhambra next month. Judges for the events here included Mrs. Harry Pike, Arcadia; Mrs. B. L. Roberts, Monrovia; Mrs. Florence Eakman of Sierra Madre, and Mrs. Hugh Thatcher, Monrovia.

Local Sport Paragraphs

By John Copeland

BILL HANSEN in another two seasons of tennis will be Sierra Madre's No. 1 ranking player, and well along the road if not actually among the Southern California top ten. That is partly a statement of Louis Fuller and partly our own slant on this rangy young racketeer.

We saw the boy come out ahead in a seven man robin at PJC Saturday, and all in all his game has improved a hundred percent in recent months. When he gets all of the double faults ironed out of his service, he's going to have somewhat the steam of Stoeffen. Which is some steam. Standing around six feet and three inches, he meets the ball at between 12 and 15 feet in the sky with his racket.

There are moments when we desperately and blindly get the idea (?) of writing the memoirs of a track-shoe spike, or the autobiography of the second highest joint in a bamboo vaulting pole.

But we've never tried it because always we are stumped by the psychology of the proposition. F'instance, how to know what manner of thought goes on in the brain-cell of said spike on moments of impact with the cinders, et cetera. Hard enough figuring out the cinder's reaction. Ain't that the silly stuff! Must be the Wistaria in the air.

Deah old S.M. The town of manana. Put it off until tomorrow. Basketball league next winter. Tennis court resurfacing next umptey. Inter-city baseball. Football League, next Spring after next. Hard-ball diamond maybe. Bridge paths probably. Canyon park theatre someday. Tennis tournament the Spring after the Spring that the courts are fixed . . . Manana.

People do things like wearing ten-gal. hats and high boots while astride nothing wilder than a model A, or even T. Wild steer wings bristling out of the radiator. People do things as impossible as playing ping-pong. This latter is sour grapes on our part, as we are pretty easy pickings for anybody big enough to see over the table edge and old enough to wear rompers.

That's a starter. Ping-pong.

There oughta be a society to change the name to something less ridiculous. It's really a game taking great skill, and providing more enjoyment than any indoor type game we've met. Should train the eye and the hand—if you smoke the right kind of coffin nails.

Miss Caukin, charmingly adawnd in a frilly thingamadoozle, strikes a lawlvly fawhawnd stwoke down the old table just in old quiekie fawshion.

The city could put out a fairly presentable sports team for all-county competition in a year or so (to allow for some maturing of athletic talents). Sammy Schwartz, pole vault; Hank Neutzell, football; Les Miller, boxing, etc.

Ah, Isaac, we hear your frisky shade stirring about. All same stirring we hear every Spring of the year. All same makes fellas like Tom Neale, Gordon McMillan, Fred LaLone, and so forth

go out into the stream with galoshes and rods.

You lie on a lake bank with a bamboo pole, or if overly ambitious you wade upstream with a shorter steel rod (which has a lot of line on it to get hooked into bushes; which has on the end a barbed affair which is nice to sail backwards into your polka dot patch).

Now and then, in one season out of a hundred, you get lucky and in consequence get grabby, and on the way home you see the first game warden you've ever seen outside of a museum. And he sees you, and the next thing you see is the inside, looking out.

May 1st—Fishing season—And remember everyone over 18 gets a license.

FOR BRILLIANT COLOR IN GARDENS PLANT POPPIES

"POPPY MAGIC" and all the allusions to flash and delicacy contained in their infinity of grace and charm are yours if you will plant this lovely flower this spring. Those "visionary tints" of which the poet sings, painted on your garden floor like crystal specks which sparkle in the sun, will lend an atmosphere of soft and quiet finish.

Plant them to roam at large in your garden to sow and re-sow themselves with an unending spread of color. Their brilliancy will not be surpassed by any other annual, and following the early perennials as they do, they will prove a happy flash before the later phlox and annuals have had a chance to bloom.

Shirley poppies are the most satisfactory. There is considerable work to be done in thinning the tiny seedlings from the lawn after the fall broadcasting seeding, but the final effect is well worth the trouble.

They naturalize easily, and if many of them are pulled up by the roots after the blooming season, the seedling will not be too prolific.

The Iceland, known by this name because of their abundance in that northerly country, are next in popularity with the Shirleys. They, too, will naturalize, but need a well drained bed, where they will give a brilliant flash of orange and yellow.

The old-fashioned peony flowered opium poppy is becoming popular again. The rose and pink varieties of this big flower are ideal for planting with delphiniums, and their blossoming season is longer than the Shirleys, although the number of blooms is somewhat smaller.

This is a good time of year to sow the poppy seed. Opium poppies should be sown among the delphiniums about a foot apart, and most of the others need about as much space. Opium poppy seed, by the way, is excellent for sprinkling on biscuits or coffee cakes; it is called mohnkuchen in German.

The number of poppies in your garden will determine to a great extent the amount of color. Plant them lavishly and then thin well, as well as pull up a few to prevent too profuse growth in the spring.

WHY NASTURTIUMS ARE ALWAYS GARDEN FAVORITES

Among the more popular garden flowers, nasturtiums easily rank as favorites. Now with the introduction of the new sweet-scented double nasturtium, Golden Gleam, their popularity has increased. Golden Gleam has stirred the hybridists so much that endeavors are being made to create new hybrids which will come true from seeds. Within a year it is

Automobiles May Travel On Trains Now As 'Passengers'

The family automobile has "gone tourist" this year and has gained official recognition in the railroad passenger traffic, or rate book, as a train traveler along with its owner. This was announced here yesterday by G. W. Wetherby, district passenger agent, of the Southern Pacific company.

It was explained that the family car has been listed as a first class tourist, with regular fares established for its ride to points of scenic or other interest. The tariff provides that where at least two human travelers make a trip in any direction, a third to points of interest at the end ticket may be purchased for the automobile. Thus the family car may enjoy the "comforts" of an "air-cooled" radiator, avoid the tired feeling, or at least tire wear, of a long trip and otherwise be ready for shorter jaunts of the rail journey.

Pretty Things Are Printed About The City During Fete

Sierra Madre is getting pages of favorable publicity through this year's Wistaria Fete. Fred M. Rollens, publisher of "The Foothill Review," has become a regular annual visitor to the Fete and following a visit last week wrote a story in which he said, in part:

"The world-famous wistaria at Sierra Madre is again doing its stuff for sweet charity's sake. Already several thousands of people have visited the affair and it is expected that the attendance will reach, if not exceed that of former years. From 30,000 to 40,000 attend the event every year. The Sierra Madre fire department, which is the active welfare agency of the charming foothill city, directs the festival and receives the funds for their relief activities. The festival is a real community event in which everyone shares. It will continue until April 1.

Cost Of Avocado Culture Lowered By Modern Methods

Avocado growers, through more efficient methods, reduced their 1933 cash cultural costs to half of those of just three years ago, according to Harold Wahlberg, Orange county farm advisor, at the Los Angeles-Orange counties' annual Avocado Institute. The affair was held last week at Placentia, before several hundred growers from all districts. Last year's average cash cost per acre among bearing groves in his study was \$115.50, compared with \$52.26 the year before, and against \$234.82 in 1931.

Yields last year were the lightest in three years, averaging only 1,698 pounds per acre in orchards of 5 to 14 years of age. The 1932 yield was 2,132 pounds per acre, while the 1931 yield was 3,995 pounds per acre. It took 1,285 pounds of fruit per acre last year, averaging 9.29 cents per pound net to the grower, to equal the total cash cost per acre. The 1935 crop may easily turn out to be from three to five times this year's tonnage, grower opinions indicated.

JUDGE RUTHERFORD WILL SPEAK IN LOS ANGELES

The people of Southern California will soon have the privilege of hearing Judge Rutherford in person when he delivers his lecture on "World Control," on March 25th, 3:30 p.m. at the Shrine Auditorium, Los Angeles.

A. L. A. Activities

By Minnie Stinman

"THIS is a real Fairyland!" was heard many times as the guests of Unit 297 strolled through the grounds or rested under the great Wistaria on the Unit's Day at the Fete. Sierra Madre Unit was keenly aware of the special privilege enjoyed in entertaining our four superior officers and the Presidents of neighboring units, all of whom had spent the previous day working hard in Area meeting.

This Fourth Area meeting, held in Patriotic Hall, Los Angeles, March 14, was one of the outstanding A.L.A. meetings of the year. Both the past and present National Vice-Presidents were present. One of the most interesting reports was given by the Department Chairman of Education, who told us of some of the students who are being assisted through A.L.A. funds. Two boys at Berkeley and one at Pomona are honor students, a girl at Berkeley and one at U.C.L.A. also stand high in their classes. These young people would be deprived of higher education if it were not for the generosity of the units, who are urged to make their gifts as large as possible in order that all deserving children may be given the aid they need.

Our honor students are willing to work to help themselves, one boy working in the kitchen every morning for two and a half hours. Department is assisting 11 children in the lower grades. There are several appointments at Annapolis and West Point available for war orphans.

State Commander Chaillaux, in a brief but forceful speech, recounted the progress of veteran legislation. He said that, of the 350 millions returned to veterans by Congress, only a little over ten percent is for World War veterans. Twenty percent goes to Spanish War veterans, their widows and dependents, and the rest to Civil Service employees and various others. The Legion four-point program has been reduced to three points by leaving out the clause providing for

widows and orphans of World War veterans.

Commander Chaillaux also outlined the Legion's new four-point program of alien legislation, which calls for restriction of alien employment, registration and identification of aliens, deportation of undesirable and indigent aliens.

Department President Mrs. Alward made the response to Commander Chaillaux's speech. Both the highest State officers of the Legion and Auxiliary are residents of the Fourth Area.

Of the 233 A.L.A. members present, more than 90 percent

signed the petition against entangling foreign alliances, and the rest took the petition home to their units, which shows how ready the A.L.A. is to heed the warning given by Washington.

Although Mrs. Andree Olson, Department Poppy Chairman, still carries her arm in a sling as a result of an auto accident several weeks ago, she made a stirring speech about her work.

Later, we were given an opportunity to visit the workshop in the basement of Patriotic Hall, where Mrs. Olson is in charge of the manufacture of poppies by

veterans outside the hospitals.

Tomorrow, Saturday, March 24, at the Civic Auditorium in Azusa, there will be a big Americanism and Community Service meeting. The public is invited and everyone interested in these important activities is urged to attend.

With several mothers present as guests, the Sierra Madre Juniors initiated a fine class of six new members at their regular meeting last Saturday. The Unit is proud of its Juniors and their work. Their Easter plans are well under way.

First Ball Games Here On April 6

Legionnaires Begin Practice And City League Teams Are Being Formed

When you see the buds commence to burst wide open on the fruit trees, when the last snow's off the mountains, when the nights start getting a little balmy—think Baseball!

"Str-i-ke two-o-o, Elmer . . . is just around the corner, and the old familiar umpire's yodel will soon float out on the night air again.

The American Legion League season opens the first Friday in April, when the local soldiers will buck some as yet unknown team in practice. In the meantime the City League clubs, the Merchants, St. Rita's, Bethany, and Kiwanis, as well as the usually pennant bound Legion team, are settling into the routine of practice sessions on the school diamond. No team rosters have been drawn up, but that doesn't stop the boys from getting into trim tossing, slamming and snagging high ones.

Monday the Legion players held their first informal practice. J. E. O'Grady has been chosen 1934 manager, succeeding Waverly E. Pratt as pilot. As yet the team itself hasn't been formed, nor have any decisions been made as to regular positions, although it is understood that several of the standbys of last season will continue in their old posts—Pratt in the box—Evans, catcher; Harkness, short; Pickett, first base; Reavis, second base.

Tuesday the Merchants commenced regular practice on the school grounds, according to Emile Smith, team manager. They will continue their sessions regularly every Tuesday and Thursday nights until the regular ball season opens. The City League schedule has not been made up.

Don't be bashful. If you like to play baseball, think you can catch a little better, but a little better than the next fellow—turn out for the Sierra Madre Merchants' team. This is the invitation sent out yesterday by Emile Smith, team manager.

The Merchants are now engaged in semi-weekly practice each Tuesday and Thursday evening being given over to long sessions under the lights on the school grounds. Although no definite first and second teams have been chosen yet and any position is open for trial to newcomers, the general lineup seems to be shaping up.

Waverly Pratt, Jobie Kiggins, Phil Hedlund, Howard McBurney and Edward LaLone, are the pitching material. Bus Brain and Jack Skinner are prospective catchers; Emile Smith and Bob Levinson are out for the first base assignment.

Miner Harkness is practically a certainty at second base, while Bill Hadley and George Ross are out for short-stop. Les Miller and Earl Marsh clash for third base, and lift-field will be spotted by either Dan Parker or Robert LaLone. Center field will probably be covered by Carl Young or Fred LaLone, while Moreno Lorenzini looks like a right field fixture.

Emile Smith, last year's manager, Special word is sent out by the school authorities and by the managers of the Legion baseball team that no junior high or grammar school children will be permitted to attend night ball games on the local diamond until the start of summer vacation. Also it is stated that children will be barred from the games if they fail to obey the

Orange shipments from California and Florida last week reached the high figure of 2,694 cars, which was 700 cars more than the previous week, according to T. H. Powell, general sales manager, California Fruit Growers Exchange. He reported that sales volume is increasing and that prices are also on the up-grade on oranges from both states, and that if the market will take present heavy shipments without a slump in price, growers may well feel more optimistic over the balance of the navel season. The situation as to prospective supply of California Navel and Florida oranges for the remainder of the season shows almost 10,000 cars of packed fruit less than last year, about the same quantity as two years ago, and about 3,000 cars less than average for the past five years, according to Mr. Powell.

Harvey G. Cattell, of Pasadena, for fifteen years a member of the State Board of Equalization, announced this week that he would be a candidate for re-election in November. He was appointed to the board as the representative of the Fourth District, comprising eight Southern California counties, in 1919. He was returned to the office by the voters in 1922, 1926 and 1930.

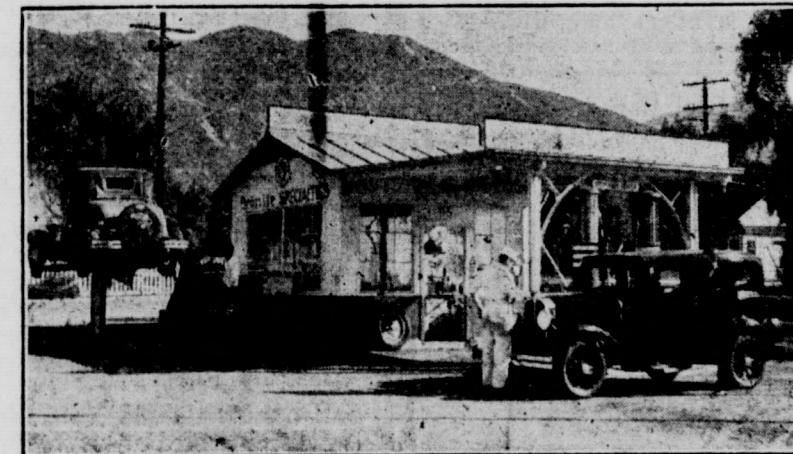

Take it from Professor Ray E. Unterreiner of the California Institute of Technology, who wrote "The Tax Racket," there are 229,721 taxing bodies in the United States today. Think of it—229,721 tax collectors! Taxes are levied by one Federal government,

Visitors Say This Most Beautiful Of Foothill Cities

Sierra Madre is the most beautiful of the foothill cities, according to Mrs. John Martin, of Toronto, Canada, wife of the late Honorable John Martin, minister of agriculture in Canada. Mrs. Martin, Mrs. John Cope and Mrs. E. Whitney, all of Toronto, were guests of Mrs. A. A. Rutledge, of 126 East Mira Monte avenue, at the Wistaria Vine last Thursday. The visitors claimed that they had never seen a lovelier sight than the blooming vine. Being keenly interested in horticulture they were loud in their praises of Sierra Madre.

simple rules of behavior formulated for the comfort of the adults who wish to enjoy the games.

In the past many complaints have been received from both players and fans because of the rowdiness of a few children, who interfered with play during the course of the game. This season rules will be strictly enforced, and disturbers will be asked to leave the grounds.

48 states, 3,074 counties, 16,598 incorporated municipalities, and about 200,000 special districts. But that isn't the whole sad story; only the first chapter. Each taxing body imposes several taxes. So that instead of merely paying 229,721 taxes—which is quite a few taxes, by the way—we pay 229,721 multiplied by something or other.

The State tax on beer and wine still continues to show an in-

crease over previous months, the total of \$92,515 in revenue being collected in February. This is the largest revenue collected in any one month since the tax became effective. Of the total receipts for February, 70 percent represents beer distribution and 30 percent is for wine.

Business in California is on the up-grade, according to the Research Department of the California Chamber of Commerce. In February there was a 26 1/2 per

cent gain over the same month last year in employment in manufacturing industries. There was an increase of 6 per cent in factory payrolls. Valuation of building permits for 51 California cities aggregated \$1,400,000, as compared with \$3,200,000 in January, or 46 per cent greater than in the February last year. Department stores recorded a 12 per cent gain and prices for farm products averaged about 29 per cent higher.

PRIEST HERE HOLDS RETREAT FOR GIRLS

Father Edmund Walsh, retreat director of the Passionist Fathers Monastery in Sierra Madre, conducted retreat ceremonies at the Catholic Girls' High School at Pico and Mariposa streets in Los Angeles this week. His mission took him into the school Monday, and he returns here today.

NOTE—Notices must be posted in three public places in the district, not less than 30 days before the election, and, if there is a newspaper of general circulation published in the district, notices must be published therein once a week for three weeks before the election. (School Code sec. 2.873).
For other laws governing the election of School Trustees, see School Code sections 2.870 to 2.971, inclusive.
All qualified electors of the county who were registered in the precinct in which the election for school trustee is held at least 40 days before the election may vote thereat. (School Code section 2.873) This includes all electors of the county whose names appeared upon the great register used at the next preceding general election and who are resident in the same precinct at the time the election for school trustee is held.
V. KERSEY
Superintendent of Public Instruction
NOTICE OF ELECTION
Notice is hereby given that a regular municipal election will be held in the City of Sierra Madre on Monday, April 9th, 1934, for the following officers:

SALE ON FORECLOSURE
No. 369425

SIERRA MADRE SAVINGS BANK, a corporation, Plaintiff,
—vs.—
LUCILLE B. WRIGHT, Defendant.
In the Superior Court of the State of California in and for the County of Los Angeles—
By the judgment and decree of the above entitled court, entered and recorded on the 28th day of February, 1934, in judgment book 864 at page 119, et seq., wherein the above named plaintiff obtained judgment and decree of foreclosure and sale for the sum of Twenty-four Hundred Thirty-three and 92/100 Dollars plus interest and costs, to which judgment and decree reference is hereby made, and by order of sale issued to me by the clerk of the said court pursuant thereto, I am commanded to sell at public auction all of the following described premises, situate, lying and being in the City of Sierra Madre, County of Los Angeles, State of California, and bounded and described as follows, to-wit:

Lot Nine (9) and the East Twenty (20) feet of Lot Eight (8) of Sierra Madre Valley View Tract, as per map recorded in Book 11, Page 21 of Maps in the office of the County Recorder of said County.
PUBLIC NOTICE IS HEREBY GIVEN that on Tuesday, the 3rd day of April, 1934, at 12 o'clock noon of that day, at the eastern and Spring Street entrance of the Los Angeles County Hall of Justice, in the City of Los Angeles, County of Los Angeles, and State of California, I will sell the above described property, or so much thereof as may be required in compliance with the said order of sale and decree of foreclosure and sale, to the highest and best bidder for cash.
